# NOTICE

PLEASE READ

There are many hazards that can cause injury while harvesting. This is a working farm. The ground can be uneven due to constant farm practices, also branches, sticks and twigs may be found on the ground.

We are not responsible for any injury that occurs while you are harvesting crops on our premises.

By entering and participating in farm activities, you are solely responsible for your individual actions.

**Please watch your step at all times!**

Thank you,  
*The Barton Family*

*Enjoy your day on our farm  
and come visit us again soon!*
